BINDER NO. EB-21

BINDER

The members of Nuclear Energy Liability Insurance Association, hereinafter called the "companies", subscribing this binder, each for itself, severally and not jointly, and in the respective proportions set forth herein, and the insureds named in Item 1 of the Declarations below, agree as follows:

- A. The companies hereby bind insurance to the insureds named in Item 1 of the Declarations in accordance with the provisions of the Draft Master Policy. All rights and obligations of the parties to this binder are set forth in the provisions of the Draft Master Policy, as it may be amended from time to time pursuant to its conditions or paragraph B below.
- B. The term "Draft Master Policy" means the draft of the MASTER POLICY -- NUCLEAR ENERGY LIABILITY POLICY (SECONDARY FINANCIAL PROTECTION) dated June 24, 1977 in the custody of the Nuclear Regulatory Commission, a copy of which is attached hereto, and includes all binders issued by the companies in connection with such Draft Master Policy. The Master Policy, as subsequently issued by the companies, shall cancel and replace this binder and the Draft Master Policy effective as of August 1, 1977.
- C. Such insurance as is provided by the Draft Master Policy applies, through this binder, only:
- (1) to the insureds identified in Items 1 and 2 of the Declarations below,
 - (2) to bodily injury or property damage
 - (a) with respect to which the primary financial protection described in Item 4 below would apply but for exhaustion of its limit of liability and
 - (b) which is caused during the binder period stated in Item 8 below by the radioactive, toxic, explosive or other hazardous properties of nuclear material and
 - (c) which is discovered and for which written claim is made against the insured not later than ten years after the end of such binder period; provided, however, that with respect to bodily injury or property damage caused by an extraordinary nuclear occurrence this subparagraph (c) shall not operate to bar coverage for bodily injury or property damage which is discovered and for which written claim is made against the insured not later than twenty years after the date of the extraordinary nuclear occurrence.

This is to certify that this is a true copy of the original binder, bearing the number designated hereon, for insurance coverage under the DRAFT MASTER POLICY-NUCLEAR ENERGY LIABILITY POLICY (Secondary Financial Protection) dated June 24, 1977. No insurance is afforded by this copy.
