Dear Mr. Saltzman:

With the modification of the Price Anderson Act effective August 1, 1977, and the reduction of the NRC Indemnification to \$110,000,000 from \$420,000,000, it is our understanding that a refund is due us as a result of the reduction in the fee from \$30 to \$12 per MW Thermal for each licensed reactor.

It is hereby requested that the check covering the refund resulting from the reduction of the Indemnity Fee be sent to the attention of the undersigned.

Very truly yours,
