**To:** Nguyen, John-Chau  
**Cc:** Longmire, Pamela; Eckholt, Gene F.; Lupold, Timothy  
**Subject:** Prairie Island ISFSI RAI Submittal

John,

This is to follow-up on a conversation with Tim Lupold yesterday and on his email that explained you will be the PM for the Prairie Island ISFSI LRA.

First of all, I want to make sure you have our contact information, as follows:

My phone: 651-267-7546 - desk  
303-358-5235 - cell  
Email: [samuel.chesnutt@xenuclear.com](mailto:samuel.chesnutt@xenuclear.com)

If you cannot reach me, please contact my manager, **Gene Eckholt**, Projects Licensing Manager  
Phone: 651-267-1742

Also, I wanted to let you know that we are planning to submit our responses to the ISFSI LRA Second RAI by Friday, as discussed with Dr. Longmire. I wanted to confirm our delivery and distribution plans, which are complicated a little by the Proprietary designation of one of our Enclosures which is a vendor calculation.

Please let us know if you would prefer something different, but this is our current plan:

- Submit both Proprietary and Non-Proprietary (Non-Public and Public) versions to the Document Control Desk as pdf files via EIE
- Alternatively, if we have difficulty with the EIE submittal, we will provide both Proprietary and Non-Proprietary pdf files on CDs to the Document Control Desk via FedEx
- Send an informal copy of both the Proprietary and Non-Proprietary versions (pdf file) to you via email
- Send 8 CD copies of the Proprietary version (pdf file) to you via FedEx, for distribution to the reviewers
- Send one CD of the Non-Proprietary version (pdf file) to you via FedEx, for information

Please let me know if you would also like hard copies. In our experience, the pdf versions have the advantage of electronic searches and can be easily navigated using the Adobe Bookmarks feature, which we will include.

I will call you to discuss these submittal details, but I wanted to let you know our current thinking. Please call if you have any concerns or suggestions.

Thank you,

**Sam Chesnutt**
