Re: Florida Power & Light Company
Proposed Turkey Point Units 6 and 7
Docket Nos. 52-040 and 52-041
Construction Noise and Vibration Aquatic Impacts Assessment Report for the Combined License Application Part 3 – Environmental Report

Florida Power & Light Company (FPL) provides, as an enclosure to this letter, a report of the assessment of potential construction noise and vibration impacts on threatened and endangered aquatic species to supplement the Turkey Point Units 6 & 7 Combined License Application (COLA) Environmental Report (ER). The enclosure provides an assessment of aquatic noise and vibration associated with certain potential sources of underwater sound generated during construction of the proposed Turkey Point Units 6 & 7. FPL does not plan to revise the ER to reflect this information.
