Flag Status: Flagged

Please remind me but we need to put an official agency copy of the RAI response in the hearing file.

Thank you.

Please also include Nate Jordan (Natreon.Jordan@nrc.gov) on your distribution list. Nate and I are working together on this project.

Subject: Re-Submittal to Document Control Desk - Prairie Island ISFSI July 31 RAI Response

John,

This is a follow-up to the emails from Dr. Longmire below regarding Prairie Island's July 31 response to RAIs for the ISFSI License Renewal Application --

Our July 31 response to the Second RAI needed to be re-submitted to meet the NRC's electronic submittal requirements. We had not received the August 4 email (see below) from Ms. Buan (the 24 Mb file was too big for our email system), and we learned of this from Dr. Longmire on Tuesday.

We re-processed the submittal file with higher resolution and re-submitted the subject letter via FedEx on 8/20 (tracking no. 8015 2416 6256, received 8/21). **Please note that there were no changes to any content in the submittal files - the informal CDs that we sent to you for use by the Staff reviewers remain unchanged.** The changes to the submittal merely provide higher resolution so that the files can be processed for ADAMS. As a backup, in case there are any issues with the electronic file, we also provided a hard copy of the letter in the FedEx package.

We believe that this re-submittal will allow the RAI response letter to be entered into ADAMS and into the hearing file. I will contact you next week after you return, but in the meantime, if you have any questions or further concerns, please contact me.

Thanks,

Sam Chesnutt

Good morning,

The att'd EIE submittals were not submitted in accordance with specifications contained in NRC's electronic submission rulemaking (and it's associated guidance document; effective January 1, 2004) which can be accessed at the following webpage:

<http://www.nrc.gov/site-help/e-submittals/guide-electronic-sub-r6.pdf>

Specifically the PDF file is Missing Hidden Texts (text are non-searchable).

Please correct the file and re-submit in accordance with NRC Submission Guidance. Please include in the comment field that this is a re-submittal.

If you have any questions, please contact me at 301-415-6785 or e-mail Angelina Buan @nrc.gov.

We appreciate your participation in the NRC EIE program.

PS. If you're using Adobe 7.0 Pro, you might want to download and install the latest revision. As we found out, if you're using 7.0.0-7.0.3, you will get a wrong result, such as Fast Web View is enabled while in fact it is NOT enabled.

Thanks,

Angelina A. Buan
