Raleigh, North Carolina 27602

November 26, 1968

Dr. Peter A. Morris, Director  
Division of Reactor Licensing  
United States Atomic Energy Commission  
Washington, D. C. 20545

Re: Docket No. 50-261

Dear Dr. Morris:

Regulatory Suppl File Cy.

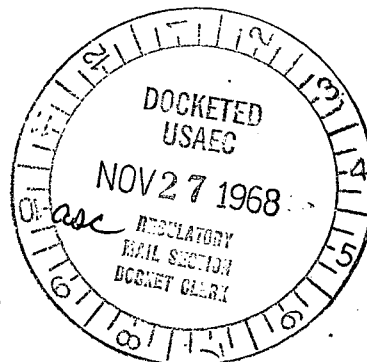

I enclose twenty-one copies of a Certificate evidencing service of Amendment 8 to the Company's Application for a construction permit and operating license for H. B. Robinson Unit No. 2 upon Mr. McCuen Morrell, Chairman of the Board of County Commissioners of Darlington County, South Carolina.

Very truly yours,

*Charles D. Barham, Jr.*  
Charles D. Barham, Jr.  
Associate General Counsel

## A circular postmark from the U.S. Atomic Energy Commission, Regulatory Mail Section. The text "U.S. ATOMIC ENERGY COMMISSION" is curved along the top inner edge, and "Regulatory Mail Section" is curved along the bottom inner edge. In the center, the date "NOV 28 1968" is stamped. The outermost ring of the postmark contains numbers 1 through 12, likely representing hours of the day.

Docket No. 50-261

Regulatory Suppl File Cy.

This is to certify that a copy of Amendment No. 8 to the application of Carolina Power & Light Company for a construction permit and operating license consisting of a revision of the application for operating license and the Final Safety Analysis Report in three volumes has this 26th day of November, 1968, been served on the chief executive of Darlington County, South Carolina, by deposit in the United States mail, addressed as follows:
