Dear Mr. Nault:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your letter dated June 5, 2014, concerning your request for a waiver of fees for the fiscal year October 1, 2011, through September 30, 2012.

The NRC assesses annual fees based on whether a licensee holds a valid NRC license that authorizes possession and use of radioactive materials. Therefore, your license was subject to the annual fees in 10 CFR Part 171 of the Commission's annual fee regulations. There is no statute of limitations which bars collection of annual fees owed to the NRC and we are required by Federal Claims and Collections Standards to collect any known valid debt. Based upon these standards, I cannot approve your request.

I appreciate your time in both writing your letter and in reviewing this correspondence.

If you have any additional questions, please contact Mr. David D'Abate, of my staff, at (301) 415-0667 or e-mail David.DAbate@nrc.gov.

Sincerely,

/RA/
