**SUBJECT: DECOMMISSIONING OF THE 1801 AVENIDA PONCE DE LEON, SANTURCE,  
PUERTO RICO FACILITY**

Dear Mr. Soltero:

This letter is to remind you that, in accordance with the NRC's August 7, 2012 Order revoking the Centro de Medicina Nuclear license within 20 days, and the requirements of 10 CFR 30.36, your licensed radioactive materials must be properly disposed of and your facility decommissioned by October 27, 2014. Please contact Mr. Hector Bermudez at (404) 997-4734, prior to October 27, 2014, to confirm that your licensed radioactive materials have been properly disposed of, that your facility has been decommissioned and that the facility may be released for unrestricted use. Records to support the release of your facility for unrestricted use must be submitted to NRC at that time.

Thank you for your cooperation. Mr. Bermudez will be contacting you in the very near future to arrange for an inspection of the facility.

Sincerely,
