Dear Mr. O'Leary:

In accordance with Technical Specifications, Paragraph 6.6.3, Facility License DPR-23, we are reporting changes in our plant organization. Effective October 28, 1972, the following two new positions were added:

Administrative Supervisor
Training Coordinator

Also, the Plant Superintendent's title has been changed to Manager.

These new positions and title change will allow us to perform required administrative and training activities associated with the H. B. Robinson Plant more effectively.

Proposed revisions to our Technical Specifications reflecting these changes are being prepared and will soon be forwarded to you.

Yours very truly,

E. E. Utley
Vice President
