Dear Mr. Parker:

I have attached the required documentation from Cardinal Health pharmacy indicating Dr. Kumar's training/experience with eluting generators.

If you have any questions or require additional information, please feel free to contact me. Dr. Kumar's e-mail address is also indicated above (ajay@pet.wayne.edu) if you would like to contact him.

Thank you for your time.

To Whom It May Concern,

On August 12, 2014, Dr. Ajay Kumar visited Cardinal Health Nuclear Pharmacy in Southfield (NRC license number 34-29200-01MD) to observe generator elution. He has met the following requirement:

Eluting generator systems appropriate for preparation of radioactive drugs for imaging and localization studies, measuring and testing the eluate for radionuclidic purity, and processing the eluate with reagent kits to prepare labeled radioactive drugs.

Sincerely,
