**Subject:** Scope of Review of Toshiba FPGA Topical Report

Joe

Toshiba has reviewed the scope of the Topical report submitted to the NRC by letter dated October 9, 2012 (ML12292A320) and revised on March 13, 2013 (ML13080A206).

This e-mail confirms that Toshiba realizes the limited scope of this Topical Report and request the NRC to proceed with the review as is.
