

NOTE TO FILE

Date: 9/5/2014

Licensee Name: Defense Logistics Agency (DLA)

License No.: STC-133

Docket No.: 04000341

Mail Control No.: 584060

License reviewer spoke with Steve Courtemanche (Financial Assurance (FA) lead) to see why previous FA was listed as non-public in ADAMS because exact same information is contained in Enclosure 3 to current letter and we need the entire letter to be public for Federal Register Notice. We came to the conclusion that since this licensee no longer possesses any specifically licensed material and will not receive any more material, the actual locations do not need to be withheld from the public.

BACKGROUND: The licensee requested an alternate schedule for decommissioning (postponement of initiation of decommissioning until 2/29/2020) and if approved, the license will be amended to indicate the approval of the alternate schedule.
