Subject: F.Y. I. - NRC OMB Information Collection Documents (3150-0024)- NRC Form 396 Available for Public Comment

Good afternoon,

Thanks again for your previous responses regarding the OMB Clearance Extension for the NRC Form 396 "Certification of Medical Examination by Facility Licensee." The extension has been published in the Federal Register and is available with these documents, <http://www.nrc.gov/public-involve/doc-comment/omb/>. Should you desire to make further comments or respond to the following questions posed to the public, please do so in accordance with the notice response instructions.

- a. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
- b. Is the burden estimate accurate?
- c. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
- d. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?
