Good Morning Mr. Barnes,

The SSD Team identified that Page 1 of Troxler Electronic Laboratories, Inc. Registration Certificate NR-0646-D-139-E (dated August 28, 2014) contained a conversion error. The Maximum Activity should have originally been "80 μ Ci (**2.96** MBq)" instead of "80 μ Ci (**0.37** MBq)." Therefore, a corrected Page 1 was issued on February 13, 2015, to correct the error.

Attached is the corrected Page 1, please replace the page in your current Registration Certificate with the attached corrected page dated February 13, 2015.

Do not hesitate to contact me if you have any questions.

Thank you,

MARÍA DEL MAR ARRIBAS-COLÓN, M.S.
