RE: Amendment RAM license #09-31406-01MD

Triad Isotopes, Inc.
180 Pepes Farm Road
Milford, CT 06460

Dear License Reviewer:

Please amend the above referenced materials license to reflect the following modification:

1. Please change the RSO in this location, effective immediately, to Erica Sztangret, PharmD. Ms. Sztangret will be the temporary radiation safety officer per 10 CFR 35.24(c) while the location is prepared for final decommissioning within the next 2 months. Ms. Sztangret is currently listed as an authorized nuclear pharmacist on this license and is the current RSO for our Warren, MI NRC license 09-32781-02MD. By virtue of past training and experience, Ms. Sztangret satisfies the requirements listed in 10 CFR 35.50 for Radiation Safety Officer. Triad Management agrees to provide the Ms. Sztangret with sufficient authority, organizational freedom, time, resources, and management prerogative, to perform the duties as assigned. A signed Radiation Safety Officer Delegation of Authority is attached to certify Ms. Sztangret's ability to function independently as the RSO.

Please contact Craig Kinne, Corporate Radiation Safety Officer, if you have any questions at (407) 257-8998, or Neil Stubbs, Pharmacy Safety Specialist at (419) 705-1359. A completed copy of the amendment request can be sent to the Triad Corporate offices at 4205 Vineland Rd, Ste. L1, Orlando, FL 32811.

Thanks,

Craig S. Kinne

Attachment I
Sztangret Radiation Safety Officer Delegation of Authority

RSO Delegation of Authority

29 January 2015

To: Erica Sztangret

From: William P. McCormick, SVP and General Counsel, Triad Isotopes, Inc.

Effective as of January 29, 2015, You, Erica Sztangret, have been appointed the Radiation Safety Officer ("RSO") and are responsible for ensuring the safe storage, use, handling, packaging, shipping and transportation of radioactive materials for the Triad Isotopes, Inc. pharmacy located at

**Triad Isotopes, Inc.
180 Pepes Farm Road
Milford, CT 06460**

You are responsible for managing the radiation protection program, identifying radiation protection problems, initiating, recommending, or providing corrective actions, verifying implementation of corrective actions, stopping unsafe activities, and ensuring compliance with Triad's radiation protection program rules. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of radioactive material by employees who do not meet the necessary requirements to do so and shutting down operations when justified by radiation safety issues. You are required to notify management if employees do not cooperate and do not properly address radiation safety issues. In addition, you are free to raise issues with the United States Nuclear Regulatory Commission at any time. It is estimated that you will spend eight (8) hours per week conducting radiation protection activities.

The RSO is responsible for establishing, implementing, managing, and auditing the radiation protection program, including employee training and ALARA program implementation, identifying and investigating radiation safety problems, initiating recommendations and ensuring implementation of corrective actions, ensuring compliance with all regulatory requirements, termination of unsafe practices and conditions, timely reporting of safety or employee incidents involving radiation exposure and timely reporting of all quality related incidents to the Triad Quality and Safety management team. The RSO must always report incidents to Triad Isotopes incident reporting system and if required by regulation or license commitment, to the United States Nuclear Regulatory Commission.

Triad Management agrees to provide you, as the RSO of the above pharmacy, with sufficient authority, organizational freedom, time, resources, and management prerogative, to perform the following duties:

- a) Identification of radiation safety problems, and,
- b) Initiation of recommendations, or provide corrective actions, and,
- c) Stopping unsafe operations, and,
- d) Verification of timely implementation of corrective actions, and,
- e) Assumption of the full responsibilities for radiation protection and safety programs.

You agree, by your signature below as RSO, to accept responsibility for implementing the radiation protection program and shall ensure that radiation safety activities are being performed in accordance with Triad's Policies and Procedures and the United States Nuclear Regulatory Commission, regulatory requirements.

I accept these RSO responsibilities;
