Lynne,

A July public meeting is still the date we are working towards. There is no specific date, yet. Based on the current schedule, the meeting would likely be in mid-July.

Thanks,
Mike

Mike or Elaine - is the schedule still good for having the public meeting on the draft SEIS in July? Is there a date yet? The reason I'm asking is that I'm trying to fit in vacation between LRA milestones and major activities. I'm looking at being gone the first part of August.

Lynne
