RE: Intent to Vacate Notification  
Washington Radiology Associates  
License No: 08-28752-01 *1030-32753*

License Reviewers:

Please accept this letter as an **update** to a previous notification dated February 5, 2015 required per 10 CFR Section 30.36 for our intention to decommission the above referenced radioactive materials license. We are requesting a new decommission date effective **March 20, 2015**. We will perform and submit a close-out survey to your office for review so the facility may be released for unrestricted use and the license terminated.

If there are any questions or if additional information is needed regarding the above matters, please contact me directly at 202-223-9722 extension 1705 or [grose@wrapc.com](mailto:grose@wrapc.com).

Sincerely,

Gary L. Rose, MD  
Radiation Safety Officer
