Tel: 340.713.7000

Fax: 340.713.7001

To Whom It May Concern:

Cardiovascular Associates of the Virgin Islands, PLLC is requesting standby status on the license.

We will:

1. We will not use the license material for any purpose pending disposable or authorization to restart
2. The license material will be stored in the hot lab as approved on our license
3. We request Scott Brinkerhoff to be the radiation safety officer (RSO) while in standby status. His training and experience are already on file with Gov. Juan F. Luis docket file (030-35612). He will be the person responsible for maintaining control of the material in storage.
4. Date of last use of material was
5. The sealed sources will be kept locked in the hot lab and inventoried annually by Scott Brinkerhoff. The only other persons with access to the hot lab are the owners of the practice, Dr. Dawn Mannings and Dr. Kendall Griffith.
6. We request to limit the radiation safety program as a result of placing the licensed material in storage. These changes include the following:
  - a. Stop issuing dosimetry until work resumes.
  - b. Worker training will resume if work resumes
  - c. Instruments will be calibrated upon resumption of activities
  - d. An annual audit will be performed of the requirements of this license.
  - e. Maintenance and visual inspection of equipment and facilities will occur when activities resume.
  - f. Maintenance of records as needed for storage of sources.
7. The sources that are in storage are as listed below:
  - a. Eckert & Ziegler Sheet source, Model NES 391, Co57, 5 mCi, 1/4/11 SN-1455-016.
