RE: Freedom of Information Request
Copies of Device Registration Certificates

Dear Privacy Officer,

I wish to request, under the relevant Freedom of Information Act, a list of the enclosed sealed source device registration certificates. We have attempted to first contact the corresponding states, the attached list is the remaining registrations. Please let me know if there are fees that will need to be paid for the request to be completed. These will be active certificates. I wish to receive them in PDF format e-mailed to me.

If you have any questions please call me at 781.767.2176 or e-mail at schapel@irsc-inc.com.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Sean C. Chapel', is written in dark ink.
