MEMORANDUM TO: Anthony J. Mendiola, Chief
Licensing Processes Branch
Division of Policy and Rulemaking
Office of Nuclear Reactor Regulation

FROM: Joseph J. Holonich, Senior Project Manager **/RA/**
Licensing Processes Branch
Division of Policy and Rulemaking
Office of Nuclear Reactor Regulation

SUBJECT: CLOSED BIWEEKLY AUDIO CONFERENCE CALLS ON LOCKHEED
MARTIN NuPAC TOPICAL REPORT

DATE & TIME: Wednesday, April 29, 2015 and every other Wednesday
through December 23, 2015
9:00 a.m. – 10:00 a.m.

LOCATION: The meeting will be held entirely via audio conference call.

PURPOSE: To report the status of the NuPAC review, provide clarifications of
technical issues, and discuss details of the review. There is no agenda
because the calls are open discussion.

This is a closed audio conference because the information being
discussed has been determined to be proprietary in nature. Little to no
nonproprietary information will be discussed; therefore, it is not practical
to open the calls to the public. No minutes will be issued for the calls but
significant issues will be documented in Requests for Additional
Information available to stakeholders.

PARTICIPANTS: Participants from the NRC staff include members of the Office of
Nuclear Reactor Regulation.
