Dear Mr. Gresham:

By letter dated March 16, 2015 (Agencywide Documents Access and Management System Accession No. ML15078A057), Westinghouse Electric Company (Westinghouse) submitted an affidavit executed by you on March 16, 2015. The affidavit requested that the information contained in the Westinghouse presentation entitled "Phase 0 Meeting: Update of the Advanced Logic System" be withheld from public disclosure pursuant to Title 10 of the *Code of Federal Regulations* (10 CFR), Part 2, Section 2.390.

The reasons for requesting withholding of the presentation is provided in the affidavit.

We have reviewed your application and the material in accordance with the requirements of 10 CFR 2.390 and on the basis of the statements in the affidavit, have determined that the submitted information sought to be withheld contains proprietary commercial information and should be withheld from public disclosure. Therefore, the version(s) of the submitted information marked as proprietary will be withheld from public disclosure pursuant to 10 CFR 2.390(b)(5) and Section 103(b) of the Atomic Energy Act of 1954, as amended.

Withholding from public inspection shall not affect the right, if any, of persons properly and directly concerned to inspect the documents. If the need arises, we may send copies of this information to our consultants working in this area. We will, of course, ensure that the consultants have signed the appropriate agreements for handling proprietary information.

If the basis for withholding this information from public inspection should change in the future such that the information could then be made available for public inspection, you should promptly notify the NRC. You also should understand that the NRC may have cause to review

this determination in the future, for example, if the scope of a Freedom of Information Act request includes your information. In all review situations, if the NRC makes a determination adverse to the above, you will be notified in advance of any public disclosure.

If you have any questions regarding this matter, I may be reached at 301-415-7297.

Sincerely,
