Subject: Second Quarter 2014 Groundwater Monitoring Report for Indian Point

Hi Dara,

Would it be possible for us to get an unlocked copy of the second quarter 2014 groundwater monitoring report. The copy that is posted on the website (<http://www.safesecurevital.com/environment/reports.html>) is locked such that copying is disallowed. We would like to copy some of the figures and/or tables in the report for our SEIS supplement. If there is any issues with us getting a copy, please let me know.

Thanks,
Mike
