Dear Sir or Madam:

Premier Healthcare, LLC would like to amend its Byproduct Materials License, Number 13-32020-01, to delete Louise A. Alpert, M.D. as an Authorized User. Dr. Alpert has discontinued practice at our facility.

In addition, we request the removal of authorization for the use of gadolinium-153 permitted by 10 CFR 35.500. We affirm that we have never acquired any gadolinium-153 as permitted by 10 CFR 35.500.

If there are any questions concerning this license amendment, please contact our nuclear medicine physicist, Mr. Patrick J. Byrne, DABR, CHP, DABSNM at 877-317-5811.

Sincerely,

A handwritten signature in black ink, appearing to read "Dawn Kirchner", written over a horizontal line.
