Date Rec'd: 4/15/15

Related Case: \_\_\_\_\_

Pursuant to the federal Freedom of Information Act, I request the following records:

The resumes or equivalent forms of all United States Nuclear Regulatory Commission employees hired since Jan. 1, 2010, for positions that require a law degree and whose duties include investigating or prosecuting agency enforcement actions.

I am a journalist reporting a story about the changing nature of regulatory enforcement, which is of ongoing public interest. I would like to receive this information in electronic form.

If my request is denied in whole or in part, I ask that you justify all deletions by reference to specific FOIA exemptions. I understand that certain parts of my request may represent information that is exempt from FOIA and request that such information be redacted as necessary.

Please contact me by phone if you have any questions regarding this request. I look forward to hearing from you.

Best regards,

Joe Palazzolo
