Re: Disposal of Tritium Signs from the Georgia-Pacific Cedar Springs Mill

Gentlemen:

This letter is to inform you that the Georgia-Pacific Cedar Springs mill has properly disposed of 34 tritium exit signs that were formerly installed at the mill. The signs were sent to SERVC Group, SRB Technologies (NC Radioactive Materials License #034-05034-2) for proper disposal, and we have been provided with a certificate of disposal (copy attached) showing this process has been completed.

Please contact me at 229-372-5246 if you have any questions or require additional information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Joseph Kahn', with a long, sweeping horizontal line extending to the right.
