REMARKS: IP 71130.04, "Equipment Performance, Testing and Maintenance, has been revised to address the program applicability and minor administrative changes.

IP 71130.05, "Protective Strategy Evaluation and Performance Evaluation Program," has been revised to address program applicability. Additionally, inspection requirement 05-02.07.f (the verification of target sets) was removed as it was redundant to the inspection activity being inspected in IP 71130.14. Procedure completion and resource estimate were changed due to deletion of this inspection requirement. Minor administrative edits were made.

IP 71130.07, "Security Training," has been revised to address program applicability. Additionally, inspection requirements for Firearms Preemptive Authority, section 07-02.14.a,b,c. Procedure completion and resource estimate were changed to reflect new requirements. Minor administrative edits were made.
