**DECLARATION IN SUPPORT OF CITIZENS ALLIED FOR SAFE ENERGY, INC./CASE
PETITION TO INTERVENE AND REQUEST FOR HEARING IN THE COMBINED
OPERATING LICENSE APPLICATION TO THE U.S. NUCLEAR REGULATORY
COMMISSION BY FLORIDA POWER AND LIGHT DOCKET NOS. 52-40 and 52-41 DRAFT
ENVIRONMENTAL IMPACT STATEMENT OF MARCH 5, 2015**

Under penalty of perjury, I, [NAME] CATHERINE GILBERT
declare as follows:

1. I [NAME] CATHERINE GILBERT
reside at [ADDRESS] 2301 NE 6 AVE, MIAMI, FL 33137

My residence, which I (UNDERLINE ONE:) OWN OR RENT lies approximately [DISTANCE]
35 miles from Turkey Point, Florida for which Florida Power and Light (FPL) has
been authorized to take

2. I am concerned that the Draft Environmental Impact Statement insufficiently addresses,
considers and evaluates potential irreparable harm to the aquifer, the ecology and the local
economy which the construction and operation of proposed nuclear reactors Turkey Point 6 &
7 for which FPL is seeking a Combined Operation License would cause. Our geological
infrastructure in South Florida is very fragile and challenging it in drastic, radical invasive
ways which are untested is an existential threat to the water supply on which we and the local
flora and fauna depend for life. Agriculture and tourism based on fishing, the economic
backbones of South Florida, could be physically and economically destroyed by the over use
of the aquifer and introduction of vast volumes of water from the reactors into it.

3. I am a member of Citizens Allied For Safe Energy, Inc./CASE

4. In order to ensure that the licensing decision for the proposed Turkey Point Units 6 & 7 nuclear power
reactors protects my interests in a safe and healthful environment, I have authorized Citizens Allied for
Safe Energy, Inc./CASE to represent me in any licensing proceeding and/or related rule making
proceeding that concerns the safety and environmental impacts of the proposed nuclear power reactors at
Turkey Point. I have also authorized Citizens Allied For Safe Energy, Inc./CASE to take any legal actions
that are necessary to ensure that the licensing proceeding and the rule making proceeding are conducted
fairly, efficiently, and in a manner that provides for the full consideration of all licensing issues that could
affect my safety and the health of my environment.

5. I have 0 children and 0 grandchildren who live within
fifty miles of Turkey Point.

I declare under penalty of perjury that the foregoing facts are true and correct and that any expressions of
opinion are based on my best judgment.
