Dear Mr. Garoutte:

This letter approves your Non-significant Permit Revision for the insertion of the revised pages to Appendix D-5, Volume II-D and Volume II-D-3. This approval satisfies the Special Condition Item #6.C. of TFN 5 6/100. In the event that revisions other than those listed on the Index of Changes inadvertently occurred within this package, those revisions are not automatically considered approved.

The LQD tracks this NSR as Change No. 79.

Please feel free to contact me if questions or concerns arise.

Respectfully,

Miles Bennett
