CHAIRMAN SELIN: Good afternoon, ladies and gentlemen.

This is an affirmation session. We have one item to come before us this afternoon.

Mr. Secretary, would you lead us through the item, please?

SECRETARY CHILK: The item, Mr. Chairman, is SECY-93-037, Environmental and Resources Conservation Organization's appeal, licensing board 92-23.

The Commission in this paper is being asked to act on an order which responds to an appeal from the Environmental and Resource Conservation Organization, ECO, of licensing board panel act decision 92-23 which denied ECO's position for intervention in a hearing on the Rancho Seco decommissioning procedure.

All Commissioners have approved an order attached to our memorandum of March the 3rd that to a limited extent grants ECO's appeal. The order notes that the Commission is withholding a final decision on ECO's appeal and is remanding the matter to the licensing board for determination on the admissibility
