Dear Robin Elliot,

This letter is to inform you that Scott Brinkerhoff, working on our behalf, has been in contact with Eckert and Ziegler and has verified to them that we are in possession of the 4 sealed sources discussed previously.

I am in hopes that this will serve to move forward in the process we discussed when you were here in terms of the Nuclear Regulatory Commission and attaining our standby status.

Thanks you very much for your time,

Sincerely,

Kendall M Griffith MD, FACC, FSCAI
