Dear Director Catherine Haney,

Aloha! Today I was able to listen to an important meeting for the people of Hawaii. More specifically, at 0800(HAST) I joined the pre-license amendment application submission (SUC1593) meeting scheduled for 01100-1700 (EST).

I am writing with two suggestions for future meetings. First, the time meetings are scheduled. When I received notification from Ms. Snyder of the meeting, I contacted her to reconsider a change to the scheduled meeting time for 0900-1600 (EST). She was able to adjust the agenda and time to 1700 which we greatly appreciate. Please try to schedule any future meetings to accommodate the time difference between the east coast and Hawai'i, which currently is a six hour difference.

Second, the Civilian Aide to the Secretary of the Army, Bill Moore was unaware of the meeting. I believe the current list of interested parties is incomplete and other individuals may want to participate or at a minimum stay informed about this matter. Pohakuloa Training Area on Hawai'i Island is located in my district. I will help in any way I can to develop a list of interested parties and to support training of our troops.

Thank you in advance for your assistance.

Regards,
