In the Matter of
DTE ELECTRIC COMPANY
(Fermi Nuclear Power Plant, Unit 2)
Docket No. 50-341-LR

Dear Administrative Judges:

Pursuant to 10 C.F.R. §§ 2.336 and 2.1203 and as modified by the Atomic Safety and Licensing Board's ("Board") Initial Scheduling Order ("ISO") dated February 27, 2015, the U.S. Nuclear Regulatory Commission ("NRC") staff ("Staff") is providing notification that a hearing file has been created for this proceeding. The hearing file includes the Staff's documents subject to disclosure under 10 C.F.R. §§ 2.336 and 2.1203 and the ISO. On or about May 8, 2015, materials in the hearing file may be accessed through the Agencywide Documents Access and Management System ("ADAMS") or through the Electronic Hearing Docket ("EHD"), which may be accessed at <http://adams.nrc.gov/ehd/>. An index containing the ADAMS accession number, document date, and document title or description of each item in the hearing file is appended hereto as Attachment 1.

Pursuant to 10 C.F.R. § 2.336(c), attached is the Affidavit of Elaine Keegan, certifying that all potentially relevant materials required by this section have been disclosed, and that the disclosures are accurate and complete as to documents identified as of April 30, 2015 (Attachment 2).

The Staff notes that it has made a good faith effort to identify and characterize all documents meeting the criteria of 10 C.F.R. § 2.336(b) and 10 C.F.R. § 2.1203 in this proceeding, while excluding those documents for which there is a claim of privilege or protected status, based on the information and documentation reasonably available to it. In identifying these documents, the Staff does not concede their relevance to the issues to be decided in this proceeding.

The Staff anticipates publishing the Draft Supplemental Environmental Impact Statement in June 2015 and the Final Supplemental Environmental Impact Statement in February 2016. The Safety Evaluation Report ("SER") with open items and the final SER are anticipated to be published in September 2015 and February 2016, respectively.

Respectfully submitted,

/signed (electronically) by/
