Dear Ms: Henderson

Enclosed are copies of proposed draft rule revisions for Oregon Administrative Rules, Divisions 100, 118 and proposed Division 125 titled Materials Safety and Security. We request NRC's comments to the proposed revisions which will then be revised from comments received and scheduled for rulemaking committee review. The proposed regulations are identified by line-in/line-out text and correspond to the following equivalent amendments to NRC's regulations.

<u>Rats ID</u>	<u>Title</u>	<u>State Section</u>
2013-1,	Physical Protection of Byproduct material	OAR Divisions 100, 118, and proposed 125

We believe that adoption of these revisions satisfies the compatibility and health and safety categories established in the Office of Federal and State Materials and Environmental Programs (FSME) Procedure SA-200.

If you have any questions, please feel free to contact me at 971-673-0500 or by email at [Todd.s.carpenter@state.or.us](mailto:Todd.s.carpenter@state.or.us)
