Work Telephone No. 251-404-3759

Business Cellphone No.

NRC Representative Name/Title: John Nicholson

Subject: Application for new license and use of PET

Discussion: I contacted Dr. Syed regarding his application for a new license. I had drafted an RAI email and I reviewed each item in the email with Dr. Syed. I asked him if he had plans to use any PET radionuclides under this new license and he stated he has no plans for PET radionuclides. I did not include this in the RAI since he answered the question directly during our conversation.
