Manny, we do not believe the item below is complete. There appears to be a few items in the reading room related to it, but certainly not the main body of the material we expected.

- Place preliminary SSHAC Study Results in electronic reading room by April 23.

Subject: FW: Updated ASER FSAR chapter Review Matrix

Rebecca:

Attached is the status copy of the updated schedule for completion of the Section 2.5 RAIs. No dates have been extended except that it shows the actual dates when the response have been completed and also shows the information that has been received.

Please let me know if anything stated there has not been received by the staff.

Thanks
