Attached is the workshop notice for the 2013 Access Authorization and Fitness for-Duty workshop, July 22-24, 2013, in Portland, OR. I have saved agenda time for NRC presentations. The time slots on the preliminary agenda are tentative and can be adjusted to meet the needs of any of the speakers. Let me know if you have any specific thoughts for topics other than what is covered herein. Note that registration and the payment of the workshop fee can now be accomplished on-line and we now accept credit cards. There is also a link to the hotel reservation block for the registrant's convenience.
