Re: 2015 First Quarter Transfer Report

Dear Sir:

In accordance with statement 9 of NRC License 06-02269-04G, Sikorsky Aircraft has initially transferred three (3) IBIS indicators to the US Navy (NADEP, Cherry Point, NC) during the first calendar quarter of 2015.

3/6/2015: 5357, 5358, 5359

The RSO for this US Navy Permit is:

Elisabeth Holland, MSPH, CIH
NAVAIR Workforce Safety Manager and Radiation Safety Officer Code 09F2/AIR
7.10.1 NAVAIRSYSCOMHQ
22145 Arnold Circle
Patuxent River, MD 20670-1541

The IBIS indicator (Part No. 12210-1) is manufactured by General Nucleonics Inc. Ponomo, CA. Each indicator contains a 500 microcurie Sr-90 sealed source.

Sincerely,

Julius Vaughn
Radiation Safety Officer
