Hi Olga,
Brianna Grange is our environmental engineer that's reviewing the issue, and she indicated that she prefers to talk to the NextEra/FPL environmental rep ASAP (either today or tomorrow). If the person can call her directly today by 5:15 pm, then please have them to do so. Her number is 301-415-1042. If not today, then let's try tomorrow morning.

Thanks,

Audrey Klett
