**RE: Notice Change of Ownership for Nabors Completion and Production Services Co,
License Radioactive Materials License 37-30412-01**

Mr. Wilson,

I am writing to follow-up on my letter dated, November 10th, 2014 in which I informed you of a planned corporate re-organization that would result in a change of the owner of Nabors Completion and Production Services Co (NCPS).

This corporate re-organization was completed on March 25th, 2015 and a chart of the new corporate structure is attached. Following this re-organization, NCPS's name and federal employer identification number (FEIN) are unchanged and NCPS continues to control operations using radioactive material following the same procedures, training, equipment and personnel.

Should you require additional information about this change please contact Dustin Jones at (724) 746-9981 or via email at Dustin.Jones@nabors.com.

Respectfully,

Dustin L. Jones
*HSE Radiation & Explosives Manager
Radiation Safety Officer*
