Amendment request for License. Owosso Heart Institute, P.C. # 21-32508-01.

A close-out survey was performed on 03/17/15 of our address 1350 E. Main Street, Suite 100 Owosso, MI 48867 and is enclosed for your review.

The last date of receipt and use of radioactive material at this site was 03/13/15. Only Tc99m was used at this facility. A current copy of the leak test results for the sealed sources used at our facility is enclosed for your review. This facility is exempt from decommissioning due to low volumes and short physical half-lives of materials used.

We did not dispose of radioactive materials by release to sewers or incineration. In addition, there were no spills of any long-lived radioactive material or on-site burials of radioactive materials.

We would also like to change our name and mailing address at this time. Our new name and mailing address is:

CIMA Heart Institute and Testing Center  
3960 Patient Care Drive, Ste. 109  
Lansing, MI 48911

Cordially,

Sherrie M. Brooks, D.O.  
Owosso Heart Institute, PC, R.S.O and C.E.O.
