Reciprocity No. 9162-1-00-IR1

Dear Mr. Reeve:

This refers to the unannounced routine health, safety, and security inspection conducted by this office on April 30, 2015 of activities authorized by the State of Iowa under reciprocal recognition of Nuclear Regulatory Commission License No. 21-16560-1, and to the discussion of our findings with you at the conclusion of the inspection.

The inspection was an examination of activities conducted under your license as they relate to radiation safety, to compliance with the Iowa Department of Public Health (Agency) Rules, and with the conditions of your license. The inspection consisted of a selective examination of procedures and representative records, observations, independent measurements, and interviews with licensee personnel.

No violations of Agency requirements were identified during the course of this inspection. Therefore, this inspection is considered closed.

The Iowa Department of Public Health is forwarding a copy of this letter to the Nuclear Regulatory Commission.

If you have any questions concerning this matter please do not hesitate to contact Randal S. Dahlin at (515) 281-0419 or me.

Sincerely,

Leonardo F. Wardrobe
