Jessica,

I understand that one of the petitioners is still out of the country and I don't believe it will be a problem to take a little more time to schedule the meeting with the Petition Review Board. Based on when the individual will be back in the country do you have a rough timeframe of when you may want a meeting? In addition, would the petitioners like to address the Petition Review Board by telephone or in person? This will help me make arrangements for the meeting.

Thank you,

Alex Chereskin

Alexander,

We would like to address the Petition Review Board again. I look forward to working out a date with you. Please note that one of our petitioners is still out of the country so we may need a little time to schedule it.

Hi Jessica,

I am e-mailing you to inform you that I have taken over as the Petition Manager for the subject 2.206 Petition.

Nuclear Regulatory Commission (NRC) Management Directive (MD) 8.11, which governs the 10 CFR 2.206 Petitions, requires that the Petition Manager contact the petitioner(s), every 60 days regarding the status of the Petition. Since you are the point of contact for the petitioners I am writing you to inform you of where we are in the petition process.

I understand that you received an e-mail two weeks ago from Diane Render giving the petitioners an opportunity to address the Petition Review Board (PRB) again. Have you determined whether or not the petitioners would like to address the PRB?

Please reply by next Friday, April 10, 2015, and if the petitioners would like to address the PRB once more, we can arrange a date and time to meet.

Thank you,

Alex Chereskin
