DISCLAIMER

This is an unofficial transcript of a meeting of the United States Nuclear Regulatory Commission held on Sept. 22, 1988 in the Commission's office at One White Flint North, Rockville, Maryland. The meeting was open to public attendance and observation. This transcript has not been reviewed, corrected or edited, and it may contain inaccuracies.

The transcript is intended solely for general informational purposes. As provided by 10 CFR 9.103, it is not part of the formal or informal record of decision of the matters discussed. Expressions of opinion in this transcript do not necessarily reflect final determination or beliefs. No pleading or other paper may be filed with the Commission in any proceeding as the result of, or addressed to, any statement or argument contained herein, except as the Commission may authorize.

UNITED STATES OF AMERICA

NUCLEAR REGULATORY COMMISSION

AFFIRMATION/DISCUSSION AND VOTE

PUBLIC MEETING

Nuclear Regulatory Commission
One White Flint North
Rockville, Maryland

Thursday, September 22, 1988

The Commission met in open session, pursuant to
notice, at 11:30 a.m., the Honorable THOMAS M. ROBERTS,
Acting Chairman of the Commission, presiding.

COMMISSIONERS PRESENT:

THOMAS M. ROBERTS, Acting Chairman of the Commission
KENNETH CARR, Member of the Commission
KENNETH ROGERS, Member of the Commission

P R O C E E D I N G S

(11:30 a.m.)

CHAIRMAN ROBERTS: Good morning, ladies and gentlemen. This is an affirmation session. We have one item to come before us this morning. Before I ask the Secretary to take us through that item, do any of my fellow Commissioners have any comments to make?

(No response.)

CHAIRMAN ROBERTS: If not, the Secretary may proceed.

MR. CHILK: Mr. Chairman, the Sunshine in Government Act requires that the Commission vote to hold this matter on less than one weeks notice. I wonder if I might have that vote.

CHAIRMAN ROBERTS: Aye.

COMMISSIONER CARR: Aye.

COMMISSIONER ROGERS: Aye.

MR. CHILK: Thank you. The document before the Commission is a Commission Order on Seabrook, a partial decision on financial issues. The Commission is being asked to act on an order which addresses the requirements, prior to low power operation, for assuring the availability of decommissioning funds for Seabrook Unit 1.

The Commission, with all Commissioners agreeing, have approved the order which is attached to the memorandum

1 we forwarded today which requires the applicants for
2 Seabrook Nuclear Station Unit 1 to provide the Commission,
3 within 30 days of the date of this order, adequate
4 documentation of their plan and appropriate commitments
5 under the plan to provide reasonable assurance that adequate
6 funding for decommissioning will be available in the event
7 that low power operations have occurred and a full power
8 license is not granted for Seabrook Unit 1. The order also
9 sets the schedule and the scope for the parties wishing to
10 challenge the applicant's filing.

11 Chairman Zech has approved the order, but he is
12 on official travel and is thus unable to be present at this
13 affirmation.

14 In the matter of the certified petition for waiver
15 of certain aspects of its financial qualification rules and
16 other financial qualification issues addressed in ALAB-895,
17 the Commission has not yet completed its deliberation.

18 Would you please affirm your vote?

19 CHAIRMAN ROBERTS: Aye.

20 COMMISSIONER CARR: Aye.

21 COMMISSIONER ROGERS: Aye.

22 CHAIRMAN ROBERTS: Do we have anything else to
23 come before us?

24 MR. CHILK: I have nothing to present.

25 CHAIRMAN ROBERTS: We stand adjourned. Thank you.

(Whereupon, at 11:34 a.m., the Commission meeting
was adjourned.)

CERTIFICATE OF TRANSCRIBER

This is to certify that the attached events
of a meeting of the U.S. Nuclear Regulatory Commission
entitled: AFFIRMATION/DISCUSSION AND VOTE
 (Commission Order on Seabrook)

TITLE OF MEETING: Public Meeting
PLACE OF MEETING: Washington, D.C.
DATE OF MEETING: September 22, 1988

were transcribed by me. I further certify that said
transcription is accurate and complete, to the best
of my ability, and that the transcript is a true and
accurate record of the foregoing events.
