Re: Amendment to 13-32535-02

Dear Madam or Sir:

We wish to amend our Materials License 13-32535-02 as follows:

REMOVE ADDRESS OF USE

Please remove the following address of use from our Materials License:

1116 North 16th Street
Suite A
Lafayette, IN

In support of this request, please note that no radioactive material was used or stored at this address of use since it was added to our license. Planned usage of this site has now been eliminated from our strategic growth plan. To support this issue please find attached a diagram and close out survey and wipe test data for the rooms that were planned to be used.

If you have any questions please contact our Medical Nuclear Physicist, Thomas M. Kumpuris, M.S., FACR of Medical Physics Consultants, Inc at tkumpuris@mpcphysics.com.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Alfonso Nataro'.
