Did you know?

While our customers enjoy overall service reliability levels among the best in the country, we're never satisfied. We are always working to make your electric service even more reliable in good weather and bad. That's why we're investing billions of dollars to strengthen the electric grid. Learn about our ongoing programs at:

Free tax help available

Doing taxes can be confusing and costly. That's why we wanted you to know that free tax assistance may be available. Low- to moderate-income Floridians may qualify for tax help through the IRS Volunteer Income Tax Assistance or Tax Counseling for the Elderly programs. Don't forget to ask about the Earned Income Tax Credit as well.

Moving toward energy independence

We use mostly American-produced clean fuel sources to generate the electricity you use to power your home.

Sources of electricity generation for the 12 months that ended on Nov. 30, 2014
