Vered Shaffer, Ph.D.

Health Physicist

U.S. Nuclear Regulatory Commission

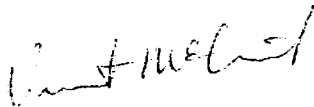

Materials Licensing Branch

Vered.shaffer@nrc.gov

Dr. Shaffer,

I am writing to clarify that the correct name of Materials license 21-32672-01 is Salahi Heart Clinic. In our amendment application to terminate the license, I made the mistake of referring to it as Salahi Heart Center. I apologize for any confusion that this caused.

Sincerely,

A handwritten signature in dark ink, appearing to read "Vincent McCormick", written in a cursive style.

Vincent McCormick, M.S.

Radiation Safety Officer,

Salahi Heart Clinic

Shaffer, Vered

Hi Vered,
Please find attached the documents that you needed. Let me know if there is anything else you need.
Have a good weekend.
Vince
