**BELL BEND NUCLEAR POWER PLANT
NAME CHANGES DUE TO SPINOFF
TRANSACTION
BNP-2015-028 Docket No. 52-039**

Reference: BNP-2015-013, R. R. Sgarro to U.S. NRC, "Bell Bend COLA Status," dated
 March 4, 2015.

The purpose of this letter is to communicate changes to the Bell Bend Project based on the spinoff of PPL Corporation's competitive power generation business, PPL Energy Supply, LLC, and the combination of that business with the competitive power generation business owned by affiliates of Riverstone Holdings LLC to form Talen Energy Corporation ("Talen Energy"). PPL Nuclear Development, LLC and PPL Bell Bend, LLC are currently indirect subsidiaries of PPL Energy Supply, LLC. Regulatory reviews of this transaction have been completed, and closing will occur on June 1, 2015.

As a result of this transaction, PPL Bell Bend, LLC will become part of Talen Energy and will be renamed "Bell Bend, LLC", PPL Nuclear Development, LLC will be renamed "Talen Nuclear Development, LLC", and PPL Energy Supply, LLC will be renamed "Talen Energy Supply, LLC" on or about June 1, 2015.

Appropriate updates to the Bell Bend COLA will be provided in a future revision supporting restart of the Bell Bend Safety Review, the timing of which is to be determined (Reference).

The only regulatory commitment herein is the future revision of the Bell Bend COLA.

If you have any questions, please contact the undersigned at 610.774.7552.

Respectfully,

Rocco R. Sgarro
