In the Matter of  
NDT SERVICES, INC.  
Docket No. 030-17711-EA

Dear Administrative Judges:

This is to inform you that on this date, the undersigned spoke with Mr. David Vaughn of NDT Services, Inc. (NDT) by telephone, and Mr. Vaughn stated that NDT was not intending to file today either a revised answer or a revised motion to set aside the immediate effectiveness of the Order Suspending License issued on March 27, 1998. Mr. Vaughn also stated that he was uncertain as to whether NDT would be filing such pleadings after today.

Counsel for the Staff will be absent from the office next week. Assuming NDT has not filed any further pleadings by the following week, the Staff intends to file an appropriate motion to terminate this proceeding, unless the Atomic Safety and Licensing Board has *sua sponte* dismissed the proceeding. See Memorandum and Order (Order Fixing a Date for Filing) (June 19, 1998).

Sincerely,

Steven R. Hom  
Counsel for NRC Staff
