Docket No. 030-17711-EA

Re: Suspension Order
EA 98-108

ASLBP No. 98-739-02-EA

MEMORANDUM AND ORDER
(Order Fixing a Date for Filing)

The Staff of the Nuclear Regulatory Commission has requested, in its "Motion for Scheduling Order," June 3, 1998, that NDT Services, Inc., be required to file a new answer and stay request no later than July 1, 1998.

We are aware that NDT Services, Inc., whose license is suspended, may be having difficulty retaining a lawyer and preparing a response that complies with 10 C.F.R. § 2.202. Nevertheless, the deadline requested by the Staff seems fair. In the absence of a response to the Staff Motion from NDT Services, Inc., we have decided to establish the requested deadline of July 1, 1998. That deadline may be altered only by a written filing in which good cause for a further delay is demonstrated. NDT Services, Inc., is encouraged to file its response or a request for an extension promptly, preferably prior to July 1,

1998. It is the Board's intention to dismiss this case unless an appropriate timely response is received.

IT IS SO ORDERED.
