Dear Dr. Conner:

It has come to our attention that Amendment No. 05, dated April 27, 2015, contained an error in the formatting of Subitem No. 01. The names of your license were matched with the dates in which they would be in effect. It was later determined that formatting the name of your license without the date in which it would be in effect, or subsequently changed, was the correct approach.

Enclosed is a Corrected Copy of Amendment No. 05 reflecting the format change for the name of your license.

We apologize for the error and for any inconvenience it may have caused.

If you have any questions concerning this matter please contact me at either (630) 829-9841 or (800) 522-3025, ext. 9841. My fax number is 630-515-1078. My email address is colleen.casey@nrc.gov.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of the enclosed license amendment this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in cursive script that reads "Colleen Carol Casey".
